

Eco Interior 10

Description

Eco Interior 10 is a concentrated ecological interior cleaner with floral scent, for professional use. This product neutralizes limescale deposits and easily removes all forms of grime from water-resistant surfaces such as walls, floors, doors, cabinets, tables, etc. Eco Interior 10 is mildly perfumed and does not leave any residues.

pH: 10,5

Application

Multisurface cleaner /interior cleaner

Instructions for use

Add 10 - 20ml Eco Interior 10 in 5L of water or a spraybottle of 650ml. Clean the surface with a sponge or (microfiber)cloth. Rinsing is not necessary. The product can be used pure in case of heavy soiling.

Ecology

This product is free from chlorine compounds, other halogen compounds, inorganic acids, and petroleum-based detergents. All detergents used in this product originate from vegetable sources. All ingredients of non-mineral origin are fully degradable according to the OECD 301 F test. Low impact on aquatic life according to OECD 202.

This product bears the European Ecolabel.
