

## Fragrance machine X-Scent 70

### GENERAL

Be inspired by an invisible misting of luxurious scents with this powerful fragrance machine

- suitable for 100ml and 200ml bottles
- frequency and operating times can be set up to the second thanks to the "Aroma-link" app on your phone or tablet
- uses microdiffusion technology (atomization of concentrated oil)
- ideal for healthcare facilities, hotel lobbies, reception environments, dressing rooms, car dealerships, showroom, stores,... from 50-1200m<sup>2</sup>(3000-4000 m<sup>3</sup>)
- Connects to the electrical

### USAGE

First commissioning:

- Open the device with the corresponding key
- Carefully unscrew the vial
- Fill the bottle with fragrance
- Screw the vial back into the device
- Close the appliance with the corresponding key
- Connect the appliance with the corresponding cable to the power outlet and turn it on with the button on the side (you will hear a beep)
- Download the "Aroma-link" app onto your smartphone or tablet
- Choose Bluetooth mode and connect your device to the app with the one-time code 1234
- Set the operating time and frequency as desired
- Close the app

Refill a bottle (always empty a towel to protect drops of fragrance)

- Switch the device off briefly with the button on the side
- Open the device with the key provided
- Carefully unscrew the bottle
- For the same fragrance: fill the bottle with fragrance
- For a new fragrance: take a new refill bottle and fill with fragrance
- Carefully screw the bottle back into the appliance
- Switch the appliance on again using the button on the side.
- If necessary, adjust the operating time and frequency, via the "Aroma Link" app
